SUFI SAINT HAZRAT SYEDA ZOHRA KHATOON BIBI SAHEBA (R.A.)

She was born in Calcutta in the Bengali Year 1278 and was the 3rd issue and 1st daughter of Hazrat Syed Fateh Ali Waisi (RA). She became a learned Alem (Clergy) and simultaneously an Expert in the Tradition of the Prophet (SAWS), in the Interpretation of the Holy Quran and in Islamic Jurisprudence. Her education was in Urdu and Persian. Thus she spoke Bengali but could read and write only in Urdu and Persian.

She was a spiritual disciple of his father and attained very high position in the spiritual world. She was spiritually visited by Hazrat Khawajia Khizir (AS), Hazrat Ali (AS), Hazrat Fatema Zohra (AS), Hazrat Khadizatul Kobra (RA), Hazrat Ayesha Siddiqua (RA), Hazrat Abu Bakr Siddique (RA), Hazrat Osman Gani (RA), Hazrat Omar Farooque (RA), Hazrat Gausul Azam Abdul Qader Jilani (RA), Hazrat Sultanul Hind Moinuddin Chisti Ajmiri (RA), Hazrat Bahauddin Naqshbandi Bukhari (RA) and Hazrat Mujaddid-I-Alfesani (RA). Her spiritual titles was "Qutub-ul-Aqtab" and "Dur-re-Maknun" (i.e. the secret pearls). She was the divinely authorized media to attain "Nisbat-I-Jamia" the highest spiritual inspiration of TARIQA-I-MUJADDEDIA. Therefore, many of the disciples and viceroys of her father attained this special spiritual inspiration through her courtesy. Allah bestowed on her Divine Miraculous powers and thus she could see and do what is usually impossible for human beings.

People obedient to her used to offer her a lot of presents which she instantly spent for the visitors, poor, needy, debtors and used to send a part of it to the houses of the respectable poor families.

She was married to Hazrat Syed Muhammad Syed Hussain (RA) of village Shahpur in the district of Murshidabad (now in West Bengal, India). She had 2 daughters and one son.

She passed away to Allah in the Bengali year 1348, on 17th Ashar, the Saturday, at 6-30 pm.

Hazrat Sufi Safi hajjiul haramine SharifineSyed MUHAMMAD meherullah (R.A.)

Shah Syed Muhammad Meherullah (RA) is the father of Hazrat Shah Sufi Syed Ahmad Ali, alias Jan Sharif Shah Sureswari (peace be upon him). Hazrat Shah Sufi Syed Akhund Neyamatullah Sharif (RA) was the noble father of Hazrat Sufi-Safi Hajjiul Haramine Sharifain Shah Syed Muhammad Meherullah (RA) who initiated a spiritual mission in the year 1775 AD which later on became the World Spiritual Guidance and Research Foundation (WSGRF).

He was a descendant of Prophet Muhammad (SAWS). His great grandfather Hazrat Maulana Shah Sufi Didar Ullah Sharif (RA) migrated to Bengal from the city of Medina of Arabian Peninsula. His family settled in the village Isa-Pasha in the District of Faridpur of Bengal.

Hazrat Syed Meherullah (RA) became almost a landless pauper after donating all his 115 acre farmland to the local poor peasants. As he was a highly generous non-communal Sufi Saint, he donated most of his properties to the most oppressed low caste Hindus (Non-Muslims).

He used to earn his living by a little piece of land which he retained for his family. He was very hard-working. He would cultivate and harvest without assistance of any ox or laborer. He was extremely careful not to encroach other's earth or rights. He always cultivated within his own earth, at 4 to 5 cubic feet safe distance from the ridge. If his cow ever fled and grazed in other's crop field, none of his family members would drink milk of that cow for seven days; milk of that cow would be sent to the owner of the field.

He was very careful about sanity and cleanliness of mind, body, food, drink, clothes, home, premises and roads. He and his family members practiced it themselves and taught disciples and villagers to practice cleanliness, sanity and hygiene.

He and his wife were literate and learned in spiritual religious sciences. His wife was a Hafez - e - Koran (who memorised Koran). They practiced & taught religious spiritualism for serene life in devotion to God and compassion to God's creation. They were against all oppressive discriminations.

During his life-time activities of this spiritual organization was limited to his locality. It flourished beyond the borders of his locality and country under his descendants.

A few VERSES from Nur-e-Huq Ganj-e-Nur

(i.e. The Light of The Truth and The Abode of The Light) quoted below :

“Origin of the creation is the Divine Light,

From That Divine Light everything was created

irrespective of 'Mumin' & 'Kafir'

(Mumin means believer, obedient to God.

Kafir means unbeliever, disobedient to God.).....

The sinner is in want of Prophet,

The Prophet is in want of sinner,

What the Prophet would be doing

Had there been no sinner ?.....

Sow the seed of Divine Light in a dirty place

The plant grown out of it will be a sacred one. ..

I can not but praise the sweet Tune,

Innumerable creatures are fascinated by Tune (music).....

The Tune drives the heroes to devote in war

Who dedicate in battles forgetting worldly life.....

Charmed by the sweet Tune the

The snake comes out of its hole

And surrenders to imprisoned life.....

Sweet Tune is nothing but a Divine Play,

Origin lies in the Divine Light of The Truth.....

All your religious rituals and Divine Books

Can do no good to you

If you do not have in your heart

The Divine Light of The Truth.”

A few of his Divine Signs :

Five beautiful Staves : As sign of Divine Blessings he got 5 beautiful staves which are brought out in public during the main Urss (Annual Festival).

Waqf Lillah : His All Assets and Properties Devoted for Divine Purposes.

Two Living Stones : Once he brought with him two small black stones in the pocket of his cloak which have now growing larger and larger that can be seen near the entrance of his tomb.

AN INTRODUCTION TO
WORLD SPIRITUAL GUIDANCE AND RESEARCH FOUNDATION
 (ESTD.1775 A.D.)

Inspired by Divine Teachings and Beliefs, Hazrat Shah Sufi Syed Akhund Neyamatullah Sharif (RA) the noble father of Hazrat Sufi-Safi Hajjiul Haramine Sharifaine Shah Syed Muhammad Meherullah (RA) initiated a spiritual mission in the year 1775 AD. Hazrat Sufi Safi Syed Meherullah (RA) later on formally founded the World Spiritual Guidance and Research Foundation (WSGRE) for the promotion of Spiritualism, Faith, Justice, Peace and Divine Culture. This humanistic spiritual mission had been developed and propagated by his son Hazrat Shah Sufi Syed Ahmed Ali @ Jan Sharif Shah Sureswari (pbuh) and his grandson Hazrat Shah Sufi Syed Nuri Shah @ Abdul Hye (pbuh). It has been reorganized and developed for worldwide activities by Al-Hajj Shah Sufi Syed Nuri Akhtar Hossain Ahmadi Nuri @ Chunnu Miah Shah (Pir Saheb of Sureswar Darbar Sharif), who is the great-grandson of its founder. He inherits the wisdom that good deeds and good people promote civilization and civil society. Therefore he shuns and opposes arrogance, terrorism, cruelty, vulgarity, insanity and such other vices. The spiritual mission of WSG&F is to promote Divine Culture to reform the sinners and deliver the mankind, society and civilization from evil instincts and spirits.

Human being is the supreme creation of God. Apparently the humanity is divided into genders, races, tribes, communities, nations, colors, languages, religions, creeds, sects, classes, professions and so on. But actually mankind is the progeny of a single pair of parents Adam & Eve.

God says in the Holy Koran :
 “O mankind! Reverence
 Your Guardian-Lord
 Who created you
 From a single Person,
 Created, of like nature,
 His mate, and form them twain
 Scattered (like seeds)

Countless men and women;
 Reverence God, through Whom
 Ye demand your mutual (rights),
 And (reverence) the wombs
 (That bore you): for God
 Ever watches over you.
 -The Holy Koran-IV:1 (Sura Nissa.:1)

The origin of Mankind is a single family. Aim of WSG&RF is to bring the hearts of all human being of the globe closer together to feel like a family, bonded to each other by love and compassion. Today God has Blessed us with marvelous scientific and technological inventions and developments which are turning the world virtually into a Global Village. Hazrat Muhammad (SAWS), the Last Prophet of God, said : “One who does not have love in heart, is not a believer.”

When men and women truly turn to God, love God and are loved by God - they attain ability to truly love each other and love the creation of God. Oppressive discriminations are against Divine will. God has Endowed Mankind with intelligence and rationality. Man is able to expand its supremacy and domination over others. When human being indulges in evil instincts and transgressions, he or she becomes oppressor not only on others but also on his or her “self”.

Divine Teaching is “know thyself”. The more we know ourselves, the more we know God. The more we know God,

The more we love to surrender to God. The more we love God, the more we love God’s creations. A spiritually educated soul is a calm soul who depends on Divine Providence and does not resort to sinful violent and terrorist means. When the world will be predominantly inhabited and ruled by spiritual people, peace and prosperity will prevail everywhere. Therefore, universal cultivation of spirituality is urgently needed to make the world peaceful as well as prosperous.

Founder OF WSG&RF:

World Spiritual Guidance and Research Foundation was established by Hazrat Sufi-Safi Hajjiul Haramin Sharifain Shah Syed Muhammad Meherullah (RA), the son of Hazrat Shah Sufi Syed Akhund Neyamatullah Sharif (RA), the son of Hazrat Maulana Shah Sufi Didar Ullah Sharif (RA) who migrated to Bengal from the city

of Medina of Arabian Peninsula. His family settled in the village Isa-Pasha in the District of Faridpur of Bengal. They initiated this spiritual mission.

ORGANIZERS OF WSG&RF :

Hazrat Sufi Syed Ahmed Ali @ Jan Sharif Shah Sureswari (RA) was the able son of Hazrat Syed Meherullah (RA). Hazrat Sureswari (RA) reorganized and elaborated the spiritual mission of his pious parents. For this purpose he also founded Darbar-e-Awlia and Dayera Sharif near his Village home on the bank of the River Padma (The Ganges). It is now well-known as the Holy Shrine of Sureswari (RA). Like his noble parents he was also non-communal and served the humanity irrespective of religion, caste, creed, class or gender. Hazrat Sureswari (RA) was a highly learned scholar known as Shamsul Ulema (the sun of the Theologians). During British Colonial era he served Calcutta Gov't Alia Madrasa as its Head Moulana (Head Theologian) for long 20 years. He preached religious spiritualism in the whole of Eastern and North-Eastern region of the Indian Sub-continent, including Greater Bengal, Bihar, Orissa and Asam. He had millions of disciples and devotees, both men and women, Hindus and Muslims, Bengalees and Non-Bengalees. This famous Great Sufi saint departed on 18th November 1919 (02nd Agrahayan, 1326 Bengali year) at 5:15 P.M. at his own Khanka Sharif, Darba-e-Awalia, Sureswar Daira Sharif, P.S: Naria, Dist: : Shariatpur (Greater Faridpur).

After his departure in 1919 A.D.his mystic spiritualist son Hazrat Sufi Nuri Shah @ Syed Abdul Hye (RA) became the mantle of the spiritual heritage of this great Sufi family. He graduated from Calcutta Gov't Alia Madrasa. He was a great Islamic scholar and authority on the Traditions of Prophet Muhammad (SAWS) and on Religious Decree (Mohaddes and Mufti). He practiced and promoted universal humanistic virtues. During his time the Holy Shrine of Sureswari (RA) became a Divine Spiritual center for millions of men and women, poor & rich, Muslims and Non-Muslims, Bengalees & Non-Bengalees.

Basic principles of
World Spiritual Guidance & Research Foundation
 (Estd. 1775 AD)

1. Spiritualism :

- Spiritualism is the way to know God, to love God and to be loved by God.
- Spiritualism Cultivates Heavenly Spirits in human “Self” to enable one to love and sacrifice for others.
- Spiritualism reveals that in the State of God there is no beginning, there is no end, there is no time, there is no space!
- Spiritualism reveals that in the state of creation there is beginning, there is time, there is space, there is limit.
- God sent people of all religions, colours and languages for the sake of peace. All Prophets& Messangers of God guided mankind by the religion of the Divine Scriptures for peaceful living.
- Through Divine Messages, Love and Divine Culture it is necessary to establish relationship between God and Man, and between Man and Man; which will deliver spiritualism, faithfulness, justice, peace, reconciliation and universal fraternity.
- Through spiritualism man can attain self-purification and spiritual power of intuition to know the mankind and to maintain peace and order i.e. to establish a world free from terrorism.
- Through spiritualism man can know and obey One God, and thus the mankind may attain true unity irrespective of differing opinions, paths and religions.
- God was alone. It is His love that caused the creation to come into being. Love and compassion are virtues that keep the creation survive. Hatred and malice are vices and destructive. Ultimate destination of Human self is “DIDAR - E - ELAHEE” i.e. a state of Union with God in immense pleasure and satisfaction. It is a journey from love to love through love.

Transgressions and evil excesses are vices. But God is Merciful. Repentance transforms a sinner into a saint. The Origin of creation is Divine Light.

2. FAITH

- There is no one to be worshipped but One God.
- The Mankind is the progeny of same parents Adam and Eve. Thus the whole humanity is a family born of the same womb. So human being should be compassionate to its fellows.
- God created everything in proper proportions. Mankind should abide by Divine Limits and be considerate to other creatures to maintain natural Divine Harmony.
- The death of a human being is not the end of a human being. Each and every human being will be Resurrected on the day of Reckoning. God will establish justice by Rewards and Punishment in the Hereafter.

God appointed Prophets as Divine Guides for communities since the first day of mankind on the Earth. The first man, the Holy Prophet Adam (A.S.) was the first Prophet of God. Among the prophets of God are: Nuh (Noah), Yunus (Jonah), Ayyub (Job), Ibrahim (Abraham), Ismail (Ismael), Ishaq (Isac), Yaqoub (Jacob), Yusuf (Joseph), Yahya (John), Dawood (David), Sulaiman (Solomon), Musa (Moses), Haroun (Aaron), Elias, Zachary, Isa ibn-e Marium@ Jesus the son of Mary, Muhammad Ibn-e-Abdullah@ Muhammad the son of Abdullah (Peace be upon them all). Muhammad (PUBH) is the Last and the Seal of God's Prophets. His immediate predecessor was Jesus the son of Mary (PBUH). Heretics conspired to kill Jesus (PBUH) by crucifixion. God protected him alive in the Heavens. God will send Jesus the son of Mary (PBUH) again to the Earth to help the leader of the believers "IMAM MAHDI" (PBUH). "IMAM" means leader and "MAHDI" means the guide of the guides. Jesus the son of Mary (PBUH) will successfully kill the formidable chief of evil elements called "the DAZZAL", meaning "the liar". Then Imam Mahdi will become ruler of the world. FAITH will blossom in every heart and house. The Earth and the Universe will deliver their abundant treasures and bounties for the good of the mankind. After the death of Imam Mahdi (PBUH), Jesus the son of Mary (PBUH) will become the ruler of the world. The Earth and the Universe will be delivering their abundant treasures and bounties for the mankind in a world of FAITH, JUSTICE, PEACE& DIVINE CULTURE. Prophet Jesus (PBUH) will marry and will have children and will die normally after he has most successfully ruled the world.

- All Prophets of God preached same religion of surrender and obedience to One God. Therefore, all Divine Religions are basically same. Differing rituals & practices are byproducts. Byproducts are not fundamentals of religions. (See : Hujjutullahil Balegaha by Hazrat Shah Wali Ullah Dehlavi R.A)

3. JUSTICE

- Justice in essence is Divine Will.
- The weak should be protected from the discrimination & oppression of the strong. It is a test for the mankind on the earth to fulfill its obligations as the viceroy of God.
- In each and every human being there is “AMRILLAH”, meaning the Dictation of God. God created the universe for the human being. Thus human being is greater than the Universe in which human being lives. Human being initiates injustice by transgression and evil excesses.
- One who commits injustice to others, virtually commits injustice to oneself.
- A spiritually educated “self” is aware of Divine Will and have the true ability to do justice to “self” and to others.

4. PEACE

- Peace is the result of attaining and maintaining Justice in the “self” and in the creation.
- When the “self” attains Justice it is called “ MOTMA-INNA-KULUB” meaning a Calm Soul.
- When the earth is predominantly inhabited by the people of “Calm Souls” the world will predominantly become peaceful.
- To attain and maintain peace in any given situation it is necessary to identify and resolve the causes, sources and elements of injustice, discrimination and violence.

5. DIVINE CULTURE

- In essence, Divine Culture is the educative culture to raise consciousness of the “self” to be able to act according to Divine will.
- All the Holy Prophets of God (peace be upon them all) cultivated Divine Culture.

INTERNATIONAL MOON SIGHTING COMMITTEE

To promote unity among the Ummah and to follow a unique Lunar Hijri Calendar all over the world, and to observe important Islamic rituals on the same date by the whole Ummah according to all Islamic Fiqh (Mazhab), International Moon Sighting Committee has been formed under the leadership of Al-Hajj Shah Sufi Syed Nuri Akhtar Hossain Ahmadi Nuri, the present custodian of Sureswar Darbar Sharif.
